

The background is a solid blue color. Overlaid on this are several white geometric elements: a network of circles of varying sizes connected by thin white lines, and a horizontal line with four small white circles. The circles are arranged in a way that suggests a network or a path, with some larger circles and some smaller ones. The lines connect these circles, creating a sense of movement and connectivity. The overall aesthetic is clean, modern, and technical.

P o w d e r C o a t i n g s

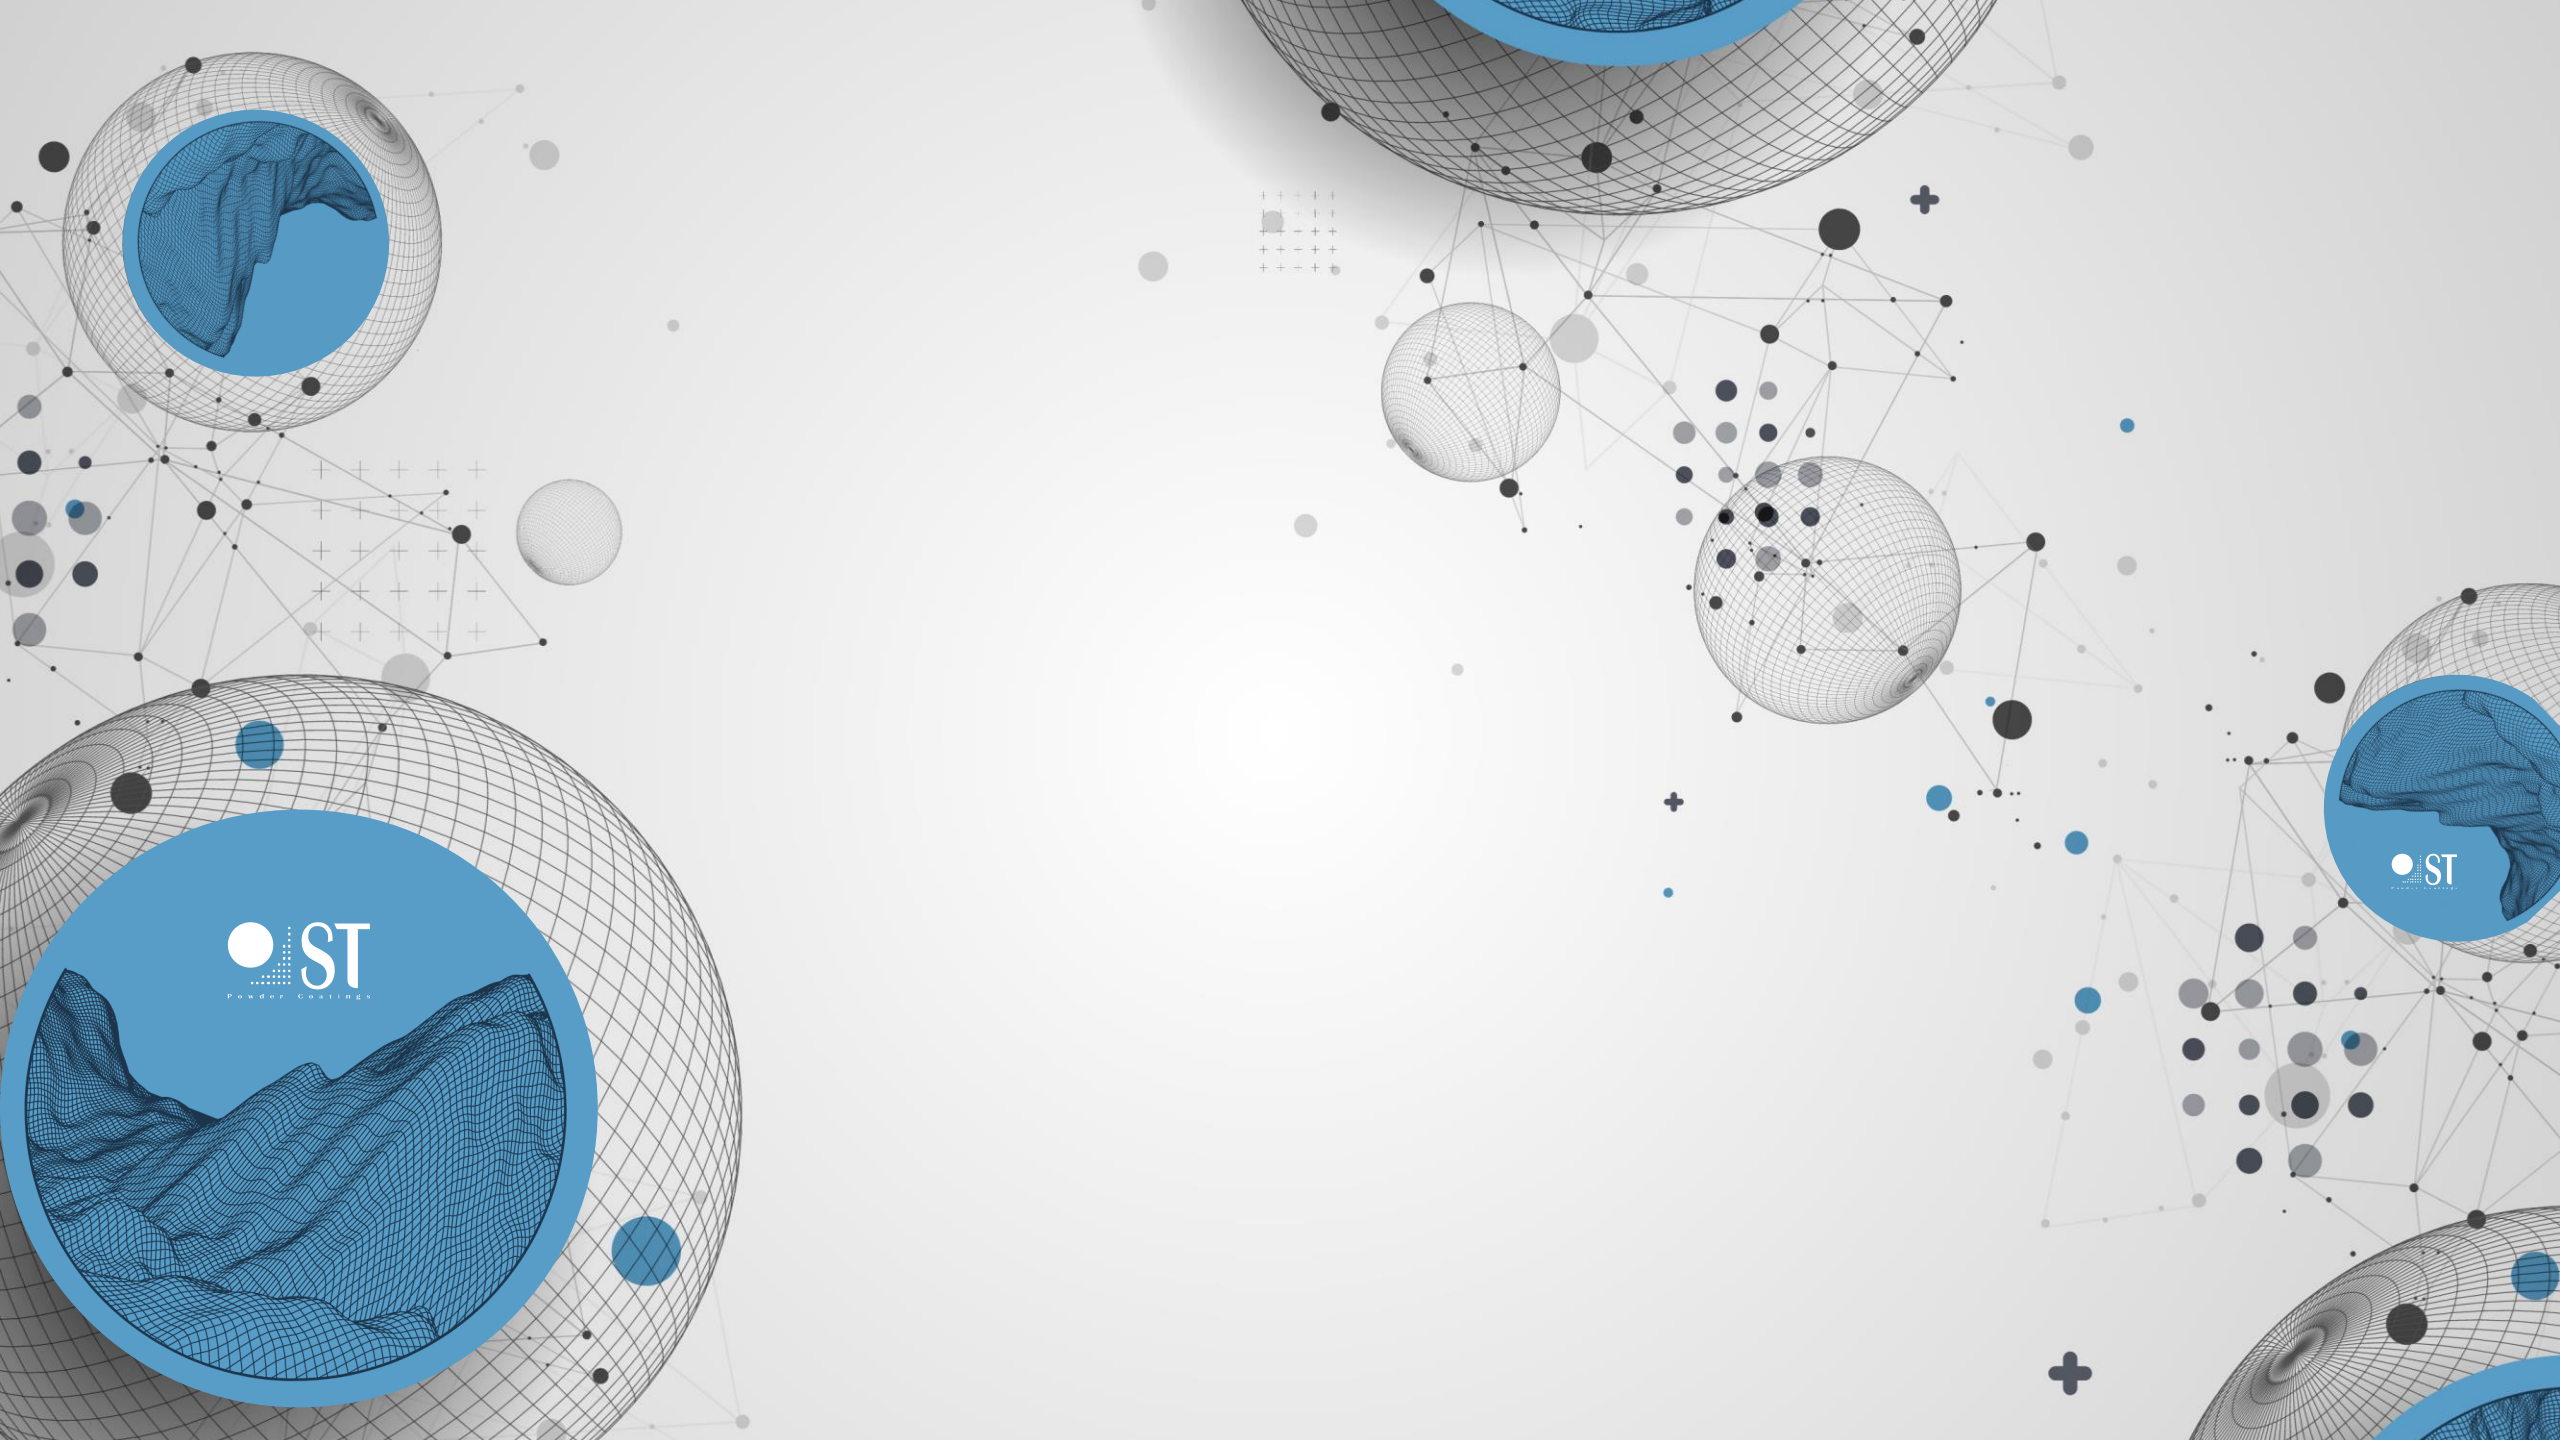

The background features several wireframe spheres of varying sizes, some with blue highlights. These spheres are interconnected by a network of thin grey lines and dots, creating a complex, geometric pattern. The overall aesthetic is clean, modern, and technical, with a color palette of greys, blues, and blacks.
